

Açık Kaynak Platformu

**T.C. SANAYİ VE
TEKNOLOJİ BAKANLIĞI**

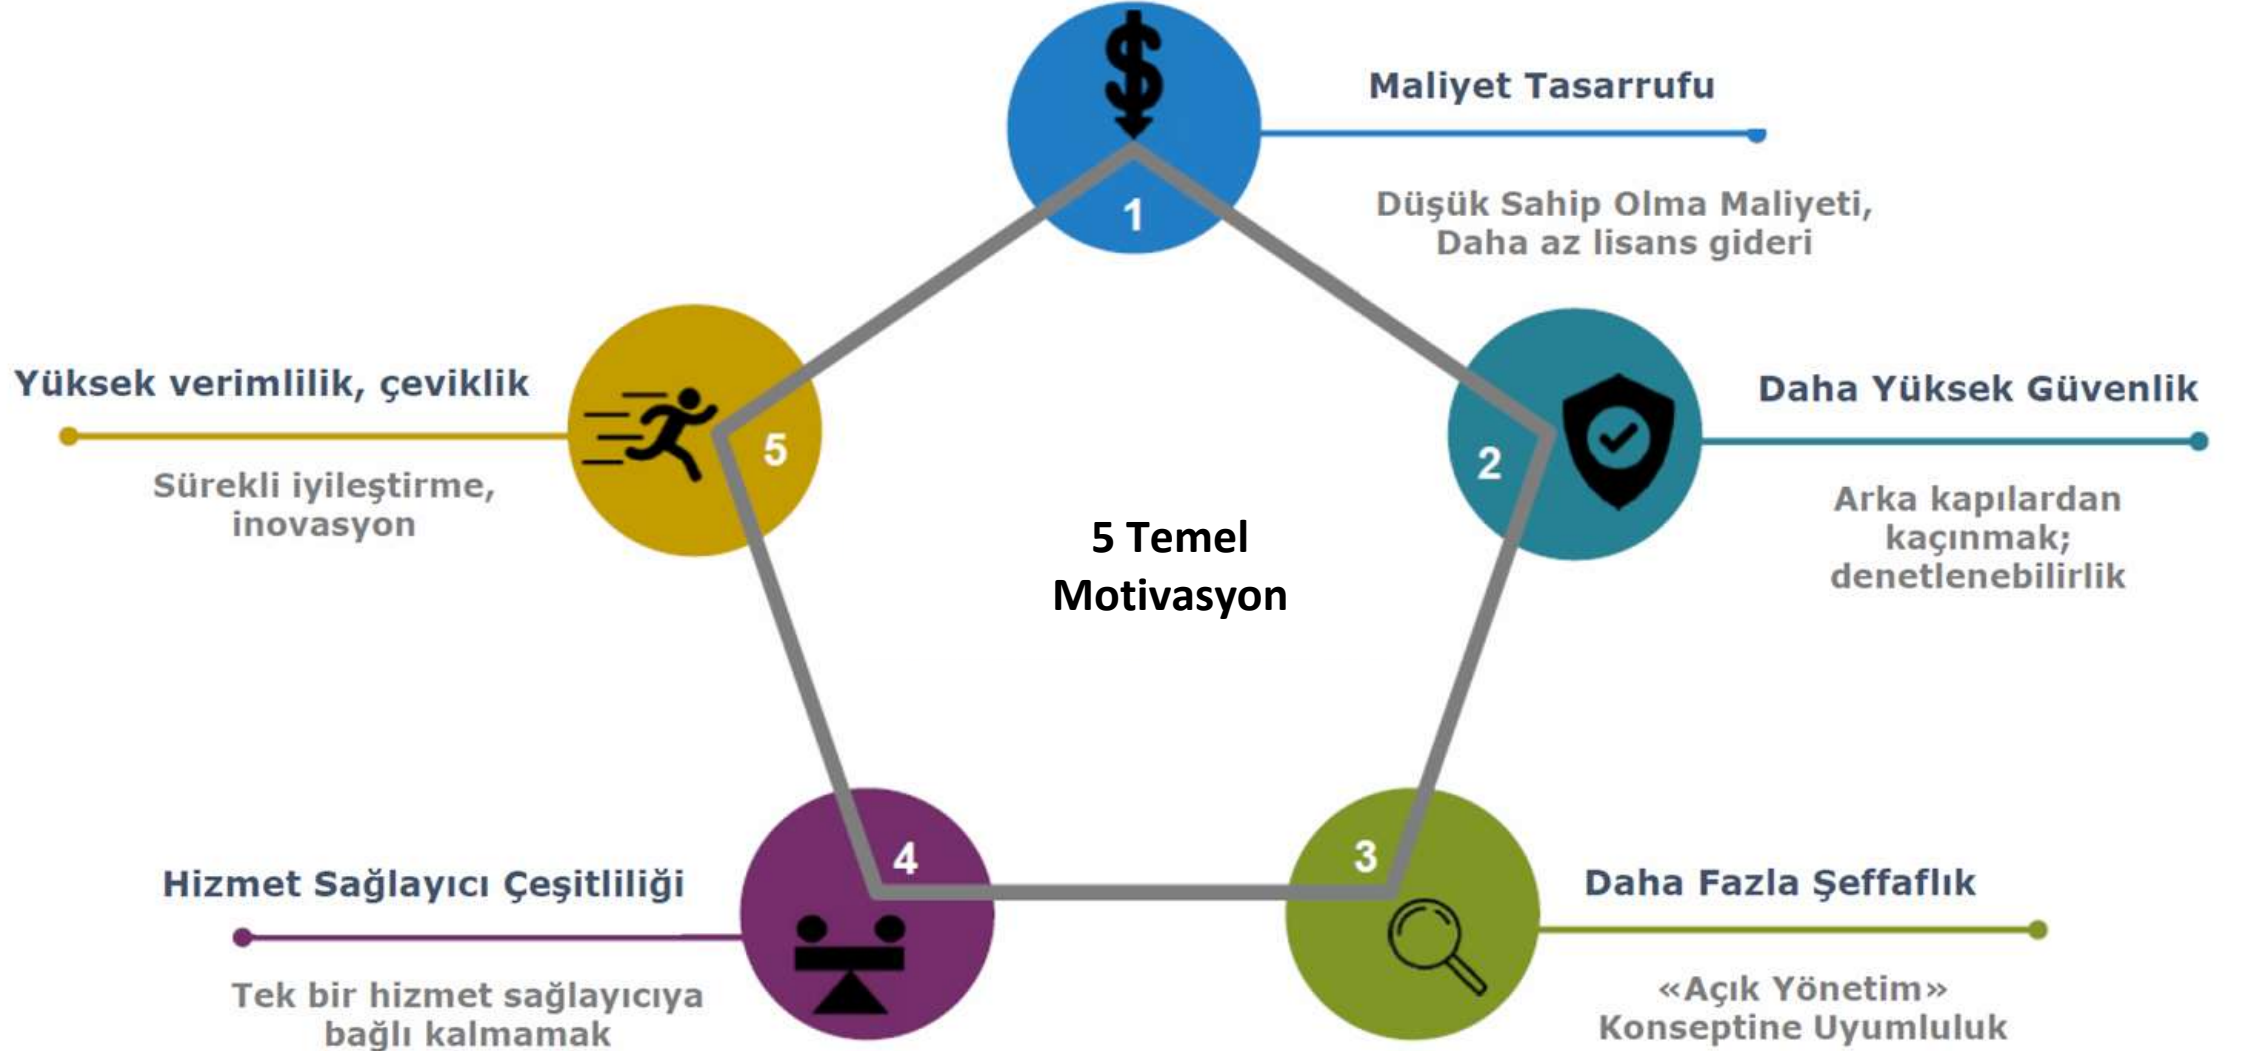

Yazılım ihraç eden bir ülke olmak için
Türkiye'de açık kaynak kod kullanım kültürünü
olgunlaştırmak
ve
yazılım geliştirici ekosistemini güçlendirmek

Neden Açık Kaynak?

Hourly contributions in private, public, and open source repositories

Everyone's schedule is different, but you still make time for the projects that matter most to you—even if they're not your day job. You stay more active in open source and public repositories in the evening (up until 10 pm!). *
